Privacy Policy

Welcome!

Protecting the individual's privacy is crucial to the future of business. We have created this privacy statement to demonstrate our firm commitment to the individual's right to data protection and privacy. It outlines how we handle information that can directly or indirectly identify an individual (personal data).

Respecting your time and with the goal of providing you with the quickest possible access to the relevant passages of the privacy statement, we offer you the following summary. The summary does not replace or supersede the detailed explanations in the FIRST BASIS Privacy Statement so in case of doubt, please always refer to the relevant passage in the actual full statement below.

Summary

The privacy statement aims to explain **what personal data is processed** by FIRST BASIS, **who uses your personal data**, for **what purpose**, for **how long**, and explains **what rights you have** in this context.

Who collects and processes your personal data? FIRST BASIS does, in the form of the respective legal entity, being FX FIRST BASIS RISK CONSULTING LLP. The FIRST BASIS Privacy Statement describes in detail which processing activities.

What personal data does FIRST BASIS collect? FIRST BASIS may collect various types of personal data about you when conducting its business, including:

- personal contact data,
- personal data related to your or your employer's business relationship with FIRST BASIS,
- personal data FIRST BASIS must collect due to legal- and compliance-related purposes,
- personal usage, registration, and participation data which FIRST BASIS may generate through your use of its web and online offerings,
- special categories of personal data,
- application-related personal data,
- personal data which FIRST BASIS may receive from third parties,
- personal data FIRST BASIS requires to ensure your or your employer's satisfaction with our products, services and offerings.

For what purpose(s) does FIRST BASIS collect personal data? FIRST BASIS processes your personal data to:

- pursue its business relationships with you, your employer, or your employer's customers, including ensuring your satisfaction with and keeping you up to date on the latest news about our products and services,
- develop and offer you its software products, cloud and other services,
- protect the quality and safety of its premises, facilities, products or services,
- secure and, if necessary, defend its protected legal assets against unlawful attacks, assert our rights or defend FIRST BASIS against legal claims,
- ensure compliance with statutory laws and regulations applicable to FIRST BASIS,
- operate FIRST BASIS's Internet pages, web offerings, or other online events including analyzing the behavior of the users, enabling you to create a user profile, benefit from an identity service and to promote and continuously improve your user experience,
- search you as a potential talent for FIRST BASIS,
- transfer it to recipients like other entities of the FIRST BASIS Group, third-party service providers, FIRST BASIS partners and others.

If you want to learn more about each of these purposes for which FIRST BASIS may collect, transfer, and use your personal data, including for **how long** your data is being retained and specific to the General Data Protection Regulation (GDPR), **the legal ground** on which FIRST BASIS is pursuing them, please refer to the full privacy statement below.

What are your data protection rights? You have the right to request from FIRST BASIS access to, correction of, and/or the return or the deletion of your personal data. You may request from FIRST BASIS to restrict the access to your personal data or to exclude it from further processing. You may revoke a once given consent or object to processing activities which FIRST BASIS may intend to pursue in a given case. When you believe that FIRST BASIS was processing your personal data not in accordance with this privacy statement or under breach of applicable data protection laws, you have the right to lodge a complaint with a relevant supervisory authority. The FIRST BASIS Privacy Statement describes each of these rights in detail, including how you can reach us to exercise any of these rights against FIRST BASIS and how to identify, if necessary, the relevant data protection authority.
